MARK 1548-24 <<DOUBLE SLATE>>

When hinges creak in door-less chambers, and strange and frightening sounds echo through the halls. Whenever candle-lights flicker where the air is deathly still. That is the time when ghosts are present, practicing their terror with ghoulish delight.

Welcome, foolish mortals, to Granby Manor. I am your host, your ghost host... the Lord and Master of this Haunted Mansion.

Our tour begins here in this gallery Kindly step all the way in please and make room for everyone.

Oh, yes! We ghosts haunt our best in gloomy darkness. So no flash pictures! Please.

There's no turning back now!

Your cadaverous pallor betrays an aura of foreboding, almost as though you sense a disquieting metamorphosis. Now you've noticed, this room contains eight towering walls... no windows and no doors. The world is locked out and, consequently, YOU are locked in! Which offers you this chilling challenge... to find a way out! Of course, there's always MY way!

Oh, I didn't mean to frighten you prematurely; the real chills come later. And now, look alive, and we'll continue our little tour. And let's all stay together, please.
